before August 6th 2022. We cannot permit any late entries since it is exclusively on stage performances this year. Access to these pages require Active membership.

## **Program guidelines:**

1. To conclude the event day on time, there will be a limit on the total number of programs. The programs will be accepted on a first come first serve based of registration. KAW program committee reserves the right to make any exception to this rule based on circumstances.
2. Each individual is allowed to participate only in maximum of one solo program and one group program. Please let the program committee know if you like to have an exception to this limit due to any special conditions or needs, well in advance. The KAW program committee reserves the rights to grant or reject these requests.
3. Maximum duration limit for a program is 6 minutes for group performance and 4 minutes for solo. Please contact the program committee if your program requires more time than recommended. KAW program committee reserves the rights to grant or reject these requests.
4. KAW program committee reserves the rights to choose between group events vs single entry events, if the program registration exceeds the allowed max limit. This recommendation is to provide opportunities to more KAW members to perform during our events.
5. KAW reserves the right to decide program order and is completely decided by the KAW program committee. Please contact the program committee if you have any requests pertaining to the program order. KAW program committee reserves the rights to grant or reject these requests.

***\*\*Regarding Stage and Green room usage, all registered participants will be contacted with the guidelines 1-2 weeks prior to program date\*\****
