

KAW 2019 Christmas & New year Program Rules

We would like to invite all participants who are interested in performing for Kaw Christmas & New year 2019 program. Please go through the rules carefully and contact secretary @kaow.org for question or clarification if any.

Program rules

1. All participants must be a KAW member. You can take KAW membership online at <http://kaow.org/account.html>.
2. All Programs must register here <https://kaow.org/registerprogram.html> & participants must register here <https://kaow.org/registerparticipant.html> before December 25th, 2019. We cannot permit any late entries as we have to restrict the number of program entries to conclude the event on time.
3. We have a limit of 25 programs, which enable us to complete the event on time. Hence the program registration will be accepted on first come first serve basis.
4. Each individual is allowed to participate only in one program. Please let program committee know if you like to have an exception to this limit, well in advance. KAW program committee reserves the rights to grant or reject these requests.
5. Maximum duration limit for a program is 5 minutes. please contact program committee if your program requires more than 5 minutes. KAW program committee reserves the rights to grant or reject these requests.
6. KAW program committee reserve the rights to choose between group events vs single entry events, if the program registration exceeds the allowed max limit. This recommendation is to provide opportunities to more KAW members to perform during our events.
7. KAW reserves the right to decided program order and is completely decided by the KAW program committee. Please contact program committee if you have any requests pertaining the program order. KAW program committee reserves the rights to grant or reject these requests.

Stage rules

1. All participants are always required to wear program registration wrist band, especially when in greenroom and on stage. Please allow KAW officials to verify your badge upon request.
2. Please limit the setup time for props to a max of 2 minutes.
3. Please plan to use the green room 20 minutes prior to your program. Early entry to the green room is NOT permitted to limit to the number of people who can be at the greenroom at any given period in accordance with the fire code of the auditorium.

4. Please do not use Alta, Markers, Nail polish or any other permanent marking things that will leave damage or mark at the venue. This is a requirement by auditorium team and KAW reserves the right to cancel the program if participant found using those.

5. Sequences of any kind will not be allowed on costumes and props as they damage the stage and green room. We request all participants to adhere to this rule strictly.

6. Participants are welcome to bring their own tape for marking. The theater will only allow Spike tape. You can find those online at <http://PNTA.com>.
